

SWEET LIGHT (TABLE) – CABLE MODIFICATION

We would like to inform you that, starting from orders confirmed from May 1st, Sweet Light (table) will be supplied with a blue micro cable, the same used in other table models of our collections, such as Ettore, Light Stick and Sorry Giotto (see pic “after”).

The switching of the lamp does not vary (touch dimming on the sphere).

effective date / orders confirmed from May 1st, 2024
