

NEW LED BOARD FOR MODELS LEDERAM WF Ø 25 CM AND LEDERAM C180

We would like to inform you that, starting from orders confirmed today, the articles Lederam WF Ø 25 cm and Lederam C180 will be supplied with a 15W LED board (cod. CST0093) instead of the current 24W LED one (cod. CST0104R). The new LED boards are equivalent to the previous ones; therefore, the new model can be supplied in replacement without any extra modification.
