

## **NUVOLA – BULBS' MODIFICATION**

We would like to inform you that, starting from orders confirmed from January 2025, all Nuvola models will be supplied with 2 types of bulbs: the diffuse light-emitting bulbs (code LLC35) are complemented by bulbs with a more directional light, positioned in the lower part of the lamp (code LLC35NA), to add a more defined light towards the surfaces below.

Quantity per Nuvola will be as follows:

mod. A / tot. 24 bulbs: 16x code LLC35 / 8x code LLC35NA

mod. E / tot. 36 bulbs: 24x code LLC35 / 12x code LLC35NA

mod. F / tot. 44 bulbs: 30x code LLC35 / 14x code LLC35NA

**effective date / orders confirmed starting from January, 2025**
