

SYPHASFERA - NEW THREADED GLASS

We would like to inform you that, starting from orders confirmed after January 7th, the products Syphasfera will be supplied with a new threaded glass (for both transparent and irregular versions), compatible with the previous models.

In case of replacement, the new codes for the glasses are:

- KASPSPHFIL for Syphasfera with transparent glass;
- KASPSPHGFIL for Syphasfera with irregular glass.

effective date / order confirmations from January, 7th 2026
